

## **Permission to Make Information Public:**

I, \_\_\_\_\_ of \_\_\_\_\_ Alberta

Offer to:    Sell irrigation acres            Buy irrigation acres            Rent irrigation acres

And have the Western Irrigation District post my name, contact information and number of acres offered for sale on their website. (Please note that the Western Irrigation District does not set or have influence over the market price for irrigation acres).

\*The following will be posted on the WID website as contact information for interested parties.

Contact Information (only fill in the method(s) you wish to be contacted)

Name: \_\_\_\_\_

Preferred Phone: \_\_\_\_\_

Email Address: \_\_\_\_\_

Alternate Phone: \_\_\_\_\_

Number of Acres for sale/buy: \_\_\_\_\_

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

\*By signing, you acknowledge that you are granting permission to the Western Irrigation District, as per rules set out in the "Freedom of Information and Protection of Privacy Act" of the Province of Alberta (see attached), to make public the information listed above under "Contact Information".

All listings will remain on the WID website for a period of 24 months from the date received or until a sale is completed. The listing party must notify the Western Irrigation District when their irrigation acres have been sold, if for any reason they wish to have their listing removed prior to 24 months, or if they wish to relist their acres for purchase after the expiry date.

- Obtain consent for collecting, using and disclosing personal information, except when inappropriate (for example, in an emergency or when consent would compromise the availability or accuracy of the information). Obtain the consent in a form appropriate to the kind of information concerned. If an individual modifies or withdraws his or her consent, respect the changes.
- Collect personal information only for reasonable purposes and only as much as is reasonable for those purposes. Except when inappropriate, collect personal information directly from the individual concerned and inform the individual of how you will use and disclose the information.
- Use and disclose personal information only for the purposes for which it was collected, unless the individual consents or the Act permits the use or disclosure without consent.
- On request, provide an individual with information about the existence, use and disclosure of the individual's personal information and provide access to that information, if reasonable. On request, correct information that is inaccurate.
- Ensure that any personal information is as accurate as necessary for the collection purposes; ensure that personal information is secure; and keep the information only as long as reasonable for business and legal reasons. Destroy or anonymize the personal information once it is no longer needed.
- Notify the Information and Privacy Commissioner of an incident that involves the loss of or unauthorized access to or disclosure of personal information that may pose a real risk of significant harm to individuals.

Water Rights Holder Information:

Number of Acres: \_\_\_\_\_

Location of Acres: \_\_\_\_\_ - \_\_\_\_\_ - \_\_\_\_\_ W4

Name on Contract: \_\_\_\_\_

City/Town: \_\_\_\_\_ Province: \_\_\_\_\_

Postal Code: \_\_\_\_\_

- The final approval to relocate irrigation acres bought or sold is subject to District review and finalization by the Board of Directors.
- As per WID policy #ADM 14, "a new parcel may not be added to the District to contain Irrigation Acres unless it contains a minimum of 50 irrigation acres".
- The geographical service location of both the current location and proposed destination of any irrigation acres will be a consideration when determining WID approval.
- Any acres added to a new or existing parcel are subject to the most recent land classification guidelines stated in the "Standards for the Classification of Land for Irrigation in the Province of Alberta".
- New parcels may be subject to the requirement for easements and/or infrastructure upgrades with the costs to be borne by the water user.
